Today's INFORMATION – November 12, 2020

- 1) Monday, November 30, Monday, December 7 and Friday, January 22 will be considered PD days. With that said, **all staff** are required to be at their workplace. In other words, those are regular workdays for **all staff**. EAAD days are not to be used.
- 2) Manitoba Public Health has confirmed that teachers, education assistant and other support staff in schools are included in the exemption from the directive to self-isolate. However, due to the current shortage of medical mask available in our schools and buildings, WSD is advising **all staff** who have a household member with symptoms of COVID-19 **to continue to self-isolate**. As soon as replacement medical masks are received from the Province, WSD will follow the directive.
- 3) W.A.N.T.E. Collective Agreement - APPENDIX C - page 9: 7.2.20 For quarantine of place of residence. Allow up to five (5) days.
- 4) Employees that are on leave without pay do not contribute to pension, therefore, they lose their pensionable service and earnings. In addition, because you are not working, you are not eligible to buy this service back. Please contact Benefits Department at 204-775-0231.
