ESSENTIAL RETAIL ITEMS

Essential Items for Retail Sale Updated public health orders come into effect on November 20, 2020, to further limit retail operations to help halt the spread of the COVID-19 virus and protect Manitobans.

A retail business may open but sell only essential items in person. Retailers must ensure compliance with capacity limits - either 25 per cent of the usual capacity of the premise or 250 people - whichever is lower.

Retailers must also implement measures to ensure physical distancing. Retailers can continue to sell essential or non-essential items online, by telephone or by remote means for delivery or curbside pick-up. A list of essential items are set out in the orders as below.

1. Food and beverages
2. Products related to food preparation or storage such as aluminum foil, saran wrap and food containers
3. Personal care products such as soap and skin care products, hair care products, dental care products, eye care products, deodorant, feminine hygiene products, razors and shaving cream
4. Health-related products such as prescription drugs, over the counter medication, vitamins and supplements, birth control and first aid products
5. Mobility or assistive devices, such as wheelchairs, walkers, canes, splints and similar products or supplies
6. Diapers, wipes, baby bottles and other infant feeding and nursing accessories, infant clothing and sleepers, car seats, cribs, strollers, infant carriers and monitors
7. Household paper products such as toilet paper and paper towels
8. Household cleaning products and supplies such as laundry detergent, dish soap, bleach, cleaning agents, mops and brooms
9. Household safety and protection products such as smoke alarms, carbon monoxide detectors and fire extinguishers
