EXTENSION OF WINTER BREAK

Dear members,

The information in this bulletin is being shared with you following my discussion with Eric Barnaby, Chief Human Resource Officer, and is regarding the extension of Winter Break and remote learning.

This will confirm that **All** support staff are expected to return to their place of employment on January 4, 2021.

The following **has not** been determined: There is a possibility that Educational Assistants who work with students in schools in grades seven (7) to twelve (12) may temporarily be redeployed to meet the needs of nursery to grade six (6) schools.

As more information becomes available, I will share it with you.

Stay well,

Carla Paul
W.A.N.T.E. President
