## JANUARY RETURN TO WORK

Dear Members,

As per the announcement this afternoon from Premier, Heather Stefanson, and Education Minister, Cliff Cullen, all permanent and term employees will return to work on January 6, 2022, as planned.

Students will return to learning on January 10, 2022, with the following changes to in-person learning:

From January 10-14, 2022, students will learn remotely, with the following exceptions:

- Kindergarten to Grade 6 students of critical service workers will return to school buildings;
- Kindergarten to Grade 12 students who are high-risk, or with special learning needs who do not have alternative care will return to school buildings.

At this point, it is expected that all students will return to school buildings Monday, January 17, 2022. If there are further changes announced by the government, we will post another bulletin with those details.
