

## **COLLECTIVE BARGAINING UPDATE**

Please post

Dear Members,

The WANTE Collective Bargaining Committee met on Thursday February 17, 2022 at the request of the conciliator. Following this meeting, the collective bargaining committee and our negotiator discussed the conciliator's findings, and have submitted a final counter proposal to the division. We expect to hear from the division this week. We will update you, the membership as soon as we have additional information.

If you have any questions, please contact us at [wantecbc@gmail.com](mailto:wantecbc@gmail.com).

In solidarity,

Bruce Zilkowsky
