

W.A.N.T.E. Special Membership Update – 2021/2022

February 8th 2022

W.A.N.T.E. does not receive any personal information updates from WSD, therefore, membership updates are requested by this office on a yearly basis. Your **work** information (including work assignments, classifications and hours) are usually supplied to the WANTE office by Human Resources; however, it may not have been recently updated.

Please verify your personal information, or revise as necessary and return to the WANTE Office via Division courier or email wantesec@mymts.net by Tuesday February 15th 2022. *It is especially important for WSD employees that have recently been assigned to term positions to ensure your information is on file at the WANTE office, as term employees are able to cast a vote at a WANTE ratification meeting.* **Members & term employees who not currently receiving email updates from the WANTE office – please fill out this form and send it to the WANTE office as soon as possible.**
