

## **LETTER OF CLARIFICATION: LIAISON COMMITTEE AND LIAISON REPS MEMBERS**

Please post

Dear Members,

At the last liaison meeting Rod Fraser asked a question about a resignation from the collective bargaining committee. My understanding at the time was that he did not want specific information about his personal decision to resign from the CB committee released, therefore I answered the question accordingly.

It was later brought to my attention that he did in fact ask about his resignation from the committee. The statement I provided at the liaison meeting was in fact incorrect, and for that I wish to apologize. It was never my intent to provide wrong information.

I am sorry for any confusion this may have caused members of the liaison committee.

I will also extend the apology to any WANTE members who may have been impacted by the statement I made at the liaison meeting.
