

## WANTE RATIFICATION MEETING VOTING IN PERSON

Dear Members,

It has come to our attention that there is a misprint on the voter's ballot. It reads July 2, 2017 - July 2, 2023, rather than July 2, 2017 - July 1, 2024. This does not compromise the ballot or the memorandum.

At this point, all WANTE members who have provided their personal email addresses to the WANTE office have received the Memorandum of Settlement (MOS), which clearly states that the duration is July 2, 2017 - July 1, 2024. Additionally, all WANTE liaison reps were sent a copy of the MOS via the courier to post in their workplace. If this information has not been posted in your workplace, please contact the WANTE office via email or phone, to let us know your rep has not completed their job. As always, this information has been made available on our WANTE website and all social media accounts.

Thank you to those who notified us, and we apologize for the inconvenience.

Sincerely,

The Collective Bargaining Committee
