

## MEMBER RETRO PAY - REVISED

Dear WANTE members,

As members start getting Pay Deposit Notifications from WSD, it is important to remember that this is only a notification of deposit, as you get for all regular payroll deposits. Retro pay will be deposited on Thursday April 7th 2022 on a separate pay deposit from your regular pay, according to WSD Payroll and Human Resources. Sub/Casual retro pay deposits were made on April 4th. Similar to T4's - you may have more than one document or deposit, if you were working multiple positions or were subbing, assigned to a term and/or made permanent since 2017.

When looking at your retro payout pay stub - please contact PAYROLL after April 7th if you believe you have been underpaid, overpaid or if you need further explanation as to your pay out amount.

**Contact Payroll via email: [payrollwsd@wsd1.org](mailto:payrollwsd@wsd1.org)  
or phone: 204-775-0231 (and ask for Payroll)**

As always, WANTE will stress the importance of members checking all pay stubs including retro pay in Employee Connect as soon as they are available.

Thank you,

Carla Paul  
WANTE President
