

REVISED

UPDATE FROM EXECUTIVE

Dear members:

The W.A.N.T.E. Executive continues to be available as we navigate forward. We continue to have W.A.N.T.E. members' best interests at heart, as we are members first!

Some W.A.N.T.E. members have advised that they are feeling pressured to sign other union cards, including being asked to sign at work locations. Members attempting to gain support for other unions are reminded to respect people's personal contact information. If members have not responded after numerous attempts to contact them, or have provided an answer to solicitation of membership, please respect that.

Please note that W.A.N.T.E. has not and will not share your personal information with third parties unless required by law.

If any W.A.N.T.E. member feels threatened, coerced, or intimidated for any reason, including support for W.A.N.T.E. or some other union, please contact the Executive at:

Katie Torgerson - memberal1@mymts.net

Chris Hayden - memberal2@mymts.net

Ashley Gushulak - memberal3@mymts.net

We will investigate any concerns and take appropriate action within our power to protect your interests.

In solidarity,
W.A.N.T.E. Executive
