

December 1, 2022

We have now switched over our provider from MTS to Shaw. You will hear a greeting when calling the office as well as options for information, please note all phone numbers will remain the same including the cell phone.

Our email addresses are in the process of being changed as previously mentioned. We will post another bulletin once the changes are complete, in the meantime, please continue to use the @mymts.net addresses.

We expect the change in email addresses to be completed in the next few weeks where we will then update the information on our website, social media, as well as send out a new bulletin.

Thank you,

Executive and Council
